NO. PCB/744/COC/2013/ 6456

CIRCULAR

Date: 07 MAR 2019

Sub: Subsequent renewal of Consent for Operation (CFO) application filed by Stone Crushers for the purpose of obtaining Form-C from the District Stone Crusher Licensing Authority - reg.

Ref: 1. Board Office Memo No. PCB 18 COC 2016/2018-19/4195, dated: 16.11.2018.  
2. Proceedings of the Consent Committee Meeting held on 05.02.2019 & 07.02.2019.

\*\*\*\*\*

The Board Office vide Memo vide ref (1) has delegated the power of issue of Consent for Operation (CFO) and Consent for Establishment (CFE) for the stone crushers to the respective Regional Senior Environmental Officers (RSEO). Now, some RSEO's/RO's are seeking clarification regarding disposal of renewal of consent application filed by Stone Crushers, wherein the crusher authorities have submitted CFO applications without obtaining Form-C.

The above matter is a general issue to all the RSEO's/RO's. Earlier, Board Office has issued first CFO's to the stone crushers valid for a period of one year having Form-B1 to facilitate to obtain Form-C. Subsequently, the Board has refused the CFO renewal applications submitted by Stone Crusher authorities without Form-C. However, in certain cases, the Board Office has accepted the CFO renewal application, wherein the crusher authorities have submitted the copy of the letter obtained from the DMG, GOK, District Commissioner and considered the issue of subsequent CFO renewal with a condition to operate crusher only after obtaining Form-C.

In view of the above, the matter was discussed in Consent Committee Meeting held on 05.02.2019 & 07.02.2019 and has resolved as, "The Committee deliberated on issue of second CFO for Stone Crusher Units and has recommended that when Stone Crusher authorities approach KSPCB for issue of second CFO, they must henceforth enclose letter from Deputy Commissioner/Department of Mines & Geology that the unit authorities have applied for Form-C and Board could consider extension of CFO for another six months, provided that unit has complied with pollution control measures stipulated by the Board".

Henceforth, the consent issuing authority for the stone crushers shall adhere to the above recommendation.

  
MEMBER SECRETARY
