NO.KSPCB 18 COC 2016/ 2944

Date: 18 AUG 2016

OFFICE MEMORANDUM

- Sub: Issue of consents(CTE & CTO) to stone crusher sectorreg.
- Ref: 1. Board O.M. No. KSPCB/26/e-Gov/48/2013/5813 dated 21-01-2014
2. Board O.M. No. KSPCB/50/(VOL.3)/CC/53/2014/6882 dated 10-3-2014.
3. CPCB directions on Industrial sectors, dated 7-03-2016
4. Proceedings of the SLCCM held on 19-03-2016, 21-6-2016 and 21-7-2016.
5. Proceedings of the RSEO's meeting held on 2-07-2016.
6. Proceedings of the RSEO's meeting held on 23-07-2016.

Stone Crusher sectors hitherto was classified under Red Category. CPCB vide ref(3) has re-classified the industrial sectors and on the basis of the pollution index, Stone crusher sector is classified under Orange Category. The new classification of industrial sectors has come into effect from 17-3-2016.

Board has implemented online processing of consent applications made by industries using XGN software vide ref (1). As per the delegation of powers cited vide ref (2), the disposal of consent applications made under Orange category rests with Regional Senior Environmental Officers.

During the Consent Committee meetings cited vide ref (4), the committee members opined that the application for consent (CTE and CTO) related to stone crushers are to be dealt in the State Level Consent Committee in view of the complexity involved with respect to the Hon'ble High Court matters and also felt that this will bring uniformity in processing the consent applications in respect of the Stone crushers across the State.

As the stone crusher consent applications are now processed online through XGN, it is opined by the NIC, Bangalore, that it is difficult to demarcate one sector in Orange category and to route it to Head Office as this will upset the programming of XGN Software.

Therefore, it is decided to process the consent applications(CTE and CTO) with respect to Stone Crusher sectors manually instead of online through XGN. Henceforth, the Regional Officers and Helpdesk at Head Office shall accept the hard copy of the consent applications

.....2/-

(CTE and CTO) and Demand Draft towards consent fee manually. However the receipt of the applications shall be administered in the existing consent module.

The Regional Officers shall forward the hard copy of consent applications(CTE & CTO) of stone crusher sectors along with inspection reports directly to Head Office for further processing and disposal.

MEMBER SECRETARY

To:

- 1.CEO-1 and 2.
- 2.All RSEO's and SEO (Mines).
- 3.All RO's
- 4.EO, e-Governance cell.
- 5.EO, Ccm , Convener.
